COPSON JEFFREY JONES

Software Engineer | Full-Stack Developer

0509288146 | jeffreyjonescopson@gmail.com | jeffreycopson.vercel.app

Professional Summary

Motivated Software Engineer and Computer Engineering student with hands-on experience building web applications from the ground up as an early member of the Career Ghana team. Skilled in full-stack development with HTML, CSS, JavaScript, React, Node.js and Python, and effective at using AI prompting to speed up development. Proven leadership through heading a school IT club and co-leading a team project. Eager to grow in a collaborative engineering environment and deliver reliable, user-focused software.

Work Experience

Software Engineer / Full-Stack Developer, Career Ghana | [March 2026] – Present
